Plans can be obtained at www.themcpgroup.com, click on the "Access Plan Room" tab in the middle of the page, click on the Incline Village Sitework and Concrete. If there are any questions, please contact Jeff McGrath at JeffM@theMCPGroup.com or estimating@theMCPGroup.com

The project consists of a new 13,922 sf one and a half story store.

The project will bid on December 7th, be awarded shortly thereafter, but work will not begin until May 1. Please see the schedule that is included in the documents.

The work includes site demolition, earthwork, asphalt paving, pervious paving, striping, site concrete, modular block retaining walls, landscaping & irrigation, site utilities, cast-in-place concrete, snow melt system, and site electrical. All other work will bid at a later date.
